Advance Care Planning Dashboards

Starting Monday, April 21, 2025, the Advance Care Planning Performance and Advance Care Planning Activities dashboards will be updated with final data from Q4 2024.

The dashboards will also allow you to view data from Q1 2025 using the **Time Period** drop-down.

Status of Dashboard Updates for 2025

CMS releases updates to the quality measure specifications annually for the MIPS program. These measure specifications have been reviewed, and Practice Insights is working on the required technical updates to align with the revised requirements. Ontada will continue to notify practices once measures have been updated based on the current 2025 requirements.
