Advance Care Planning Dashboards

You can view the final data from Q1 2025 using the **Time Period** drop-down on the Advance Care Planning Performance and Advance Care Planning Activities dashboards.

Status of Dashboard Updates for 2025

CMS releases updates to the quality measure specifications annually for the MIPS program. These measure specifications have been reviewed, and Practice Insights is working on the required technical updates to align with the revised requirements. Ontada will continue to notify practices once measures have been updated based on the current 2025 requirements.
